Dear Chair DeFazio and Ranking Member Graves:

The project sponsor for this project is the Michigan Department of Transportation and the project is located in Kalamazoo Township, Michigan.

The funding is designated for US-131 BR/Northside Transportation Connectivity to connect WB Business Loop to SB US-131 and NB US-131 to EB Business Loop.

The project is an appropriate use of taxpayer dollars by enhancing connections between important community commercial developments, improving congestion, and reducing heavy truck traffic from neighborhood areas.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Fred Upton  
Member of Congress
